

Join us for our April Speakers Program!

With Bill Snape

American University Washington College of Law and the Center for Biological Diversity

Neglecting the well-being of society in the pursuit of personal gain has left us facing the greatest challenge of our time:

Climate change

Join Clean Wisconsin and speaker Bill Snape for a discussion on how the legal, technical, sociological and economic tools we already have in place can move us past this tragedy of the commons to meaningful action on climate change.

Thursday, April 14
Pyle Center, AT&T Lounge
702 Langdon St.

Appetizer & Reception at 6, program at 6:45

There is no cost to attend. Event is open to the public.
RSVP at events@cleanwisconsin.org
