DOUBLE YOUR IMPACT

We're excited to announce that the Dean's Advisory Board has generously offered a \$100,000 matching gift exclusively for the CALS Annual Fund! That means **your contribution will go twice as far to maintain CALS as a leader** in the study of our living world.

Dear [Salutation],

When you're a college that's been around since 1889 like the College of Agricultural and Life Sciences (CALS) has, change is inevitable. But throughout CALS's history, one thing has remained consistent: our commitment to student success.

Did you know that, thanks to the research and innovations coming out of CALS, we're on the verge of creating new tools to fight obesity and a revolution in biofuels production?

Those are just a couple of breakthroughs in the making. But to **maintain CALS as one of the world's most prestigious colleges devoted to the study of our living world** and a leader in providing valuable student experiences we respectfully ask for your support.

By giving to the CALS Annual Fund, you'll **play an important role in the lives of students**: you'll make a difference in the discoveries and advancements they'll achieve.

Please consider making a first-time contribution to give students the opportunities they need — including student development, faculty retention, research and innovation, new pilot programs, and more — to spark the kinds of ideas that will improve our world.

Make a Gift Now.

Kathryn A. VandenBosch
