

W I S C O N S I N SCIENCE FESTIVAL? CURIOSITY UNLEASHED.

CALL FOR PARTICIPATION NOVEMBER 2-5, 2017

DISCOVERY EXPO

You're invited to join the 2017 Wisconsin Science Festival Expo!

Held all four days of the festival, the Discovery Expo features dozens of STEM hands-on exploration stations by departments, scientists, outreach groups, student clubs and community organizations at the Discovery Building.

What's the festival all about?

Reaching 153,000+ people since 2011, the Wisconsin Science Festival is a statewide four-day event that connects people of all ages with science, technology, engineering, art and math through hands-on activities, inspiring workshops, thought-provoking presentations and more. Our mission is to inspire and engage Wisconsinites in the enterprise of science and discovery.

Discovery Expo at a glance:

- 6,000+ visitors during the festival
- First floor of the Discovery Building in Madison
- Thursday and Friday, 9 a.m. – 2 p.m.
- Saturday and Sunday, 10 a.m. – 3 p.m.

Sign up for the Discovery Expo

Bring your science to thousands of students and adults via interactive exploration stations!

Apply to be part of the expo by
July 30: wiscifest.org/host
