

UW RESEARCH STUDY

FREE WEEKLY COVID-19

TESTING FOR UW EMPLOYEES

Surveillance study to monitor COVID-19 activity among UW employees working on campus

We're looking for UW employees to self-collect a nasal swab weekly that will be tested for COVID-19

Participants will collect a nasal swab once a week and drop it off at one of our drop-off sites on their assigned day, through June 30, 2021

Locations

- ♦ Lot 60 (near corner of Walnut St and Marsh Dr)
- ♦ Lot 105 (near Engineering Hall)
- ♦ Lot 114 (near Humanities)

Are you eligible?

- ♦ UW faculty, staff, post-doctoral fellow, or graduate assistant working on campus or at an off-campus location
- ♦ Completion of UW-Madison COVID-19 training for on-site workers

If you're interested in participating or have questions, please contact us at uwsisp@mailplus.wisc.edu

UWSISP Contact Information:

Email: uwsisp@mailplus.wisc.edu
Phone: 608-265-7277
